

PCS Earthquake Comfort Kits

To ensure your child's comfort in the event of a disaster in our community, we need every parent's support with providing a Comfort Kit. This Comfort Kit will provide some short-term supplies and reassurance from home. Either fill a Ziploc bag (with the items listed below) and return it to the school by the end of September, or purchase the pre-packaged PCS Basic Student Kit available from TOTALPREPARE for \$9.95 at: totalprepare.ca/product/pcs.

Requested items include:

1. Pre-packaged snack (something nutritious): dried fruit, granola bar, etc.
2. Drink tetra pak (200 ml size) – no carbonated drinks.
3. Family photo and "Letter of Comfort" – a short note to reassure your student that it's okay to feel afraid and that they will be cared for.

Optional Items:

4. Small flashlight – with new batteries.
5. Personal item – e.g. small palm-sized toy for younger child, deck of cards.
6. Survival Blanket – (foil emergency blanket) which can be bought at any hardware store or First Aid Supply Store.
7. All items must be able to fit inside a large Ziploc bag. Please label your student's bag with their name and grade. Please check that all survival kit food items have an appropriate shelf life to last at least to the end of the school year (June 2017).
