

Educational Excellence to the Glory of God

The PCS journey began with a forward thinking young man named Ralph Numan. His vision and tragic death with his fiancée, Mary Egmond, enabled the community to step forward in faith and build what is now Pacific Christian School.

You are invited to join the PCS journey and consider how your visionary actions can impact and equip future generations.

It's worth an hour or two of your time to review the estate plan for your family - no matter your age or stage of life.

We encourage you to work with Dave Broughton, an estate planning specialist from Christian Stewardship Services (CSS). Thoughtful planning will clearly communicate your values and clearly impact future generations.

Join us in visionary planning to ensure future Educational Excellence to the Glory of God!
