Dear PCS Community,

The PCS Board of Directors is pleased to announce that Lorna Herzog has accepted our offer to extend her role as the interim Secondary School Principal for another year. We have enjoyed partnering with Lorna this year and look forward to working with her again for the 2018/2019 school year. Lorna has done an excellent job as the Secondary School Principal!

With the upcoming changes in our leadership structure and with Darren Lewis' arrival as superintendent, we felt it was not the right time to undergo a Secondary School Principal search at this time. As Superintendent, Darren will be responsible for administrative hiring, in collaboration with the Board. Darren and next year's Board will decide how to best proceed with filling the permanent position of Secondary Principal. As always, if you have any questions or feedback for the Board, please feel free to contact me.

On Behalf of the Board and
In His Service,

Heidi Young-Thompson
Board Chair
