

## **Business Office Chartered Accountant Support**

Pacific Christian School is seeking an accountant to support our Business Office. We anticipate this position will require on average approximately 1 day per week; however, the amount of time required will vary during the year. This position could be done in a hybrid (on/offsite) manner; however, we anticipate at least some time onsite will be required.

This position is unique in that it could be accomplished either by a regular contract employee or through a relationship with an accounting firm or self-employed accountant.

Ideally, the candidate:

- Will be a Chartered Professional Accountant.
- Will have experience working with non-profit organizations and/or schools.

We offer a competitive salary and a supportive work environment. If you are interested in exploring the possibility, please email [Darren Lewis](#), Superintendent.
