

Learning Assistance Educational Assistant Position

Pacific Christian Elementary

The Learning Assistance EAs provide academic support to students in Grades 3 through 5. This support may be in one-on-one, small groups, or classroom setting work. The Learning Assistance EAs work under the direction of the Learning Assistance Teachers and, when providing in-class support, under the direction of the classroom teachers to enable students with a variety of learning needs to experience success in the school community.

REQUIRED SKILLS AND EXPERIENCE

- Previous experience working in a learning environment with children with learning challenges
- Understanding and comfort with the content and instructional strategies of Math at the intermediate level
- A general understanding of the developmental sequence of reading and writing skills in elementary-aged students
- Ability to support students effectively with minimal supervision
- Excellent interpersonal skills with students
- Strong communication skills and the ability to work as a supportive team member
- Flexibility as you will often need to adjust pacing, materials, and instructional approaches to meet the needs of the student(s)
- Compassion and patience for students who face learning challenges.
- A clean criminal record check and child welfare check
- Applicants must have an active Christian faith that shapes their life.
